Sub:-Request to authenticate Admission data of SC,ST,OBC-A and OBC-B category students from the academic year 2018-19 to 2022-2023 of, Purbasthali College, District -Burdwan in the consequence of the requirement of NAAC (National Assessment and Accreditation Council)

Respected Sir,

I have the honour to submit you the actual figure of admission data of the students (finally who registered) of reserved category-SC, ST, OBC-A and OBC-B from the academic session 2018-19 to 2022-2023. It may be stated that after the end of every academic year we need to submit the accurate figure of admission of general-category as well as reserved category-students to our affiliating university, The University of Burdwan, as well as the Deptt. of Higher Education, Govt. of West Bengal in the prescribed format. They verify our approved intake capacity and admission/registration status and finally students are registered to pursue UG courses at our college. This is our usual practice and it is not the practice to submit the data of admission/registration of reserved category-students to your office to get authenticated.

But now college's assessment authority (it is conducted at every five year's interval), NAAC, has sought to get the authentication from your office regarding admission/registration status of the reserved category-students.

In this pretext I submit the authenticated data as furnished in substance from our affiliating university and annexed for your kind pursuance. Also a definite point of Metrics, where NAAC has sought for.

Hence, it is my humble request to you to kindly pursue the record of data as cited below and the annexed document too and furnish an authenticated document from your good office and oblige.

Your kind consideration of the whole matter is highly appreciated for the sake of our institute.
