Course Introduction:

Information and Communication Technology (ICT) programmes play a crucial role in the modernization and advancement of various sectors. This report provides a brief overview of an ICT programme, highlighting its objectives, components, benefits, and impact.
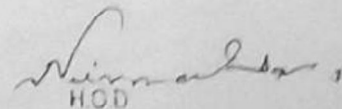

Objectives of the ICT Programme:

4. **Enhancing Digital Literacy:** The programme aims to improve the digital skills and literacy of individuals, ensuring they can effectively use technology.
5. **Promoting Access to Information:** It seeks to provide easy access to information, particularly in remote areas, bridging the digital divide.
6. **Empowering Communities:** Through training and infrastructure development, the programme empowers communities to harness technology for their development.

Components of the ICT Programme:

9. **Training Workshops:** Conducting workshops and training sessions on various aspects of ICT, from basic computer skills to 1. Email Handlings
10. You Tub searching & reading
11. Power Point Presentation

12. Internet searching
13. E-book searching.
14. **Infrastructure Development:** ICT Traning providing communities with access to computers, internet connectivity
15. **Digital Content Creation:** Encouraging the creation of digital content, such as educational materials.
16. **E-Government Services:** Implementing platforms for citizens to access government services online, simplifying processes and increasing efficiency.

Benefits of the ICT Programme:

4. **Economic Growth:** Improved digital skills lead to increased employability and entrepreneurship opportunities, contributing to economic growth.
5. **Educational Advancement:** Access to educational resources online enhances learning outcomes and opens up new avenues for students.
6. **Community Development:** Empowering communities with ICT tools fosters innovation, connectivity, and overall development.

Impact of the ICT Programme:

5. **Increased Digital Inclusion:** More individuals, especially in rural areas, are becoming digitally literate and connected.
6. **Job Creation:** The programme contributes to the creation of jobs in the ICT sector.
7. **Improved Governance:** E-government services lead to transparency, accountability, and better delivery of public services.
8. **Enhanced Quality of Life:** Access to information and services improves the overall quality of life for students.

Conclusion: In conclusion, ICT programmes are pivotal in driving socio-economic development by empowering individuals, communities, and governments with the tools and knowledge to navigate the digital landscape effectively. They play a crucial role in bridging gaps, fostering innovation, and creating a more connected and informed society.

ICT TRAINING PROGRAM

SESSION 2021 -2022

REPORT

Name Of the Programme : ICT Training

Sub Category : Skill Development Programme

Date : 22.02.2022 to 24.02.2022

Time : 12:15 p.m.

Venue : Rabindra sabha kaksha (N215)

No. of Participants : 21

Resource Person Attended:

1. Dr. Sukla Bhattacharyya, Assistant Professor & HOD, Department of Education.
2. Mr. Srikanta Hazra, State Aided College Teacher-I (SACT-I), Department of Education.
3. Mr. Parimal Mandal, State Aided College Teacher-I (SACT-I), Department of Education.
4. Mr. Debasish Chakraborty, State Aided College Teacher-II (SACT-II), Department of Education.

Content Summary: An ICT Training programme was organized for the students of Education Department semester VI , on 22.02.2022 to 24.02.22 at the Rabindra sabha kaksha. The duration of the Programme was 3 hours. The training was related to the basics of ICT uses. The Outcome of the programme was –

❖ Students know how to create an Email Id, sent a mail or view mail.
❖ How to search and use YouTube.
❖ Basics of Power Point Presentation.
❖ Internet searching
❖ E -book searching.

Our Endeavor found huge attraction in between the students as they enjoyed the training program successfully. We hope that the basics of ICT skills will help them in future.
