#### 5. Outcomes of the MoU:-

Within the framework of the Memorandum of Understanding (MoU), both institutes have successfully implemented faculty exchange programs, facilitating the exchange of knowledge and expertise between Purbasthali College and Akui Kamalabala Women's College. These programs involved the presence of two faculty members from each college, who delivered insightful lectures and engaged in specialized academic sessions held at the respective campuses. These academic initiatives provided a valuable opportunity for students to interact with esteemed faculty members from the partner college. Throughout these sessions, it was evident that participating students were highly motivated, and actively engaged in the academic discourse. Moreover, this exchange practice not only enriched students' academic experiences but also exposed them to diverse perspectives and approaches within their field of study. Faculty members, on the other hand, found this collaborative endeavor as a means to enhance their intercultural sensitivity and intellectual competency. Overall, these academic exchange practices have significantly contributed to fostering a healthy bond between students and faculty members from both Purbasthali College and Akui Kamalabala Women's College. It is firmly believed that such initiatives play a crucial role in nurturing a supportive and collaborative environment, facilitating a broader exchange of ideas, and promoting a mutual understanding between the two educational institutions.

#### 5. Outcomes of the MoU:-

Within the framework of the Memorandum of Understanding (MoU), both institutes have successfully implemented promotion of knowledge sharing facilitating the exchange of knowledge and expertise through faculty exchange programs between Purbasthali College and P. N. Das College. These programs involved the presence of two faculty members from each college who delivered insightful lectures and engaged in specialized academic sessions held at the respective campuses. These academic initiatives provided a valuable opportunity for students to interact with esteemed faculty members from the partner college. Throughout these sessions, it was evident that participating students were highly motivated, and actively engaged in the academic discourse. Moreover, this exchange practice not only enriched students' academic experiences but also exposed them to diverse perspectives and approaches within their field of study. Faculty members, on the other hand, found this collaborative endeavor as a means to enhance their intercultural sensitivity and intellectual competency. Overall, these academic exchange practices have significantly contributed to fostering a healthy bond between students and faculty members from both Purbasthali College and P. N. Das College. It is firmly believed that such initiatives play a crucial role in nurturing a supportive and collaborative environment, facilitating a broader exchange of ideas, and promoting a mutual understanding between the two educational institutions.

#### 4. Outcomes of the MoU:-

Within the framework of the Memorandum of Understanding (MoU), both institutes have successfully implemented faculty exchange programs, promotion of knowledge sharing, facilitating the exchange of knowledge and expertise between Purbasthali College and Khalisani Mahavidyalaya. These programs involved the presence of two faculty members from each college who delivered insightful lectures and engaged in specialized academic sessions held at the respective campuses. These academic initiatives provided a valuable opportunity for students to interact with esteemed faculty members from the partner college. Throughout these sessions, it was evident that participating students were highly motivated, and actively engaged in the academic discourse. Moreover, this exchange practice not only enriched students' academic experiences but also exposed them to diverse perspectives and approaches within their field of study. Faculty members, on the other hand, found this collaborative endeavor as a means to enhance their intercultural sensitivity and intellectual competency. Overall, these academic exchange practices have significantly contributed to fostering a healthy bond between students and faculty members from both Purbasthali College and Khalisani Mahavidyalaya. It is firmly believed that such initiatives play a crucial role in nurturing a supportive and collaborative environment, facilitating a broader exchange of ideas, and promoting a mutual understanding between the two educational institutions.
