### PROJECT ON SARVA SIKSHA ABHIYAN

#### Supervisors report

Our project name is Sarva Siksha Avijan. We completed this project within two months. After completing the project we found some facts. In the project of Sarva Siksha Avijan the college students collected data through field work in six schools. Then they try to knowing the background of the surveyed schools students the college students selected twenty students under Purba Burdwan area. The college students used interview and enquiry widely in this study.

Elementary also that primary education plays important role towards the entire education system. It is mainly considered as the base or foundation of the educational system. Secondary and Higher Secondary education depends on primary and elementary education. Many problems are arises in primary education. Indian government made some policies, programs for the advancement and upgradation of elementary and primary education.

So, it the responsibility both from the teachers and society as well as custodians to fulfills the basic needs and requirements of the children at primary and elementary level. The age group of 6 to 14 years the progress and extension of reflects with reference to bodily, intellectually, communally, religiously and passionate etc. A teacher can lead the students to bring a responsible citizen with understanding the progressive features at this stage and helps to provide chances to build a well-adjusted personality throughout the life.
