A meeting of the Green & Clean Campus Committee of Purbasthali College was held on 01/05/2018 at 2:00 p.m. in the principal room of Purbasthali College. The meeting was presided over by the Honorable Teacher-In-Charge and President Smt. Suchandra Neogi. Following issues were discussed and resolved accordingly.

1. To consider the Environment day celebration.

It was reported that the world Environment Day is going to be observed on 5th June 2018. So we should also have to observe the day to make awareness about environment among the students as well as people of the local area. After discussion members of the committee realized the importance of the environment day observation and unanimously approved it. Principal was requested to take necessary steps regarding this subject.

2. To consider the plantation program.

It was reported that plantation has become very useful matter for greening, to create a balanced environment, more rainfall etc. In this context members of the committee unanimously decided to set a program on plantation in the college campus. Principal was requested to take necessary action in this matter.

3. To organize a workshop

It was decided that a workshop on "Shaping a Sustainable Tomorrow through Innovative Infrastructure Solutions" would be organized to highlight cutting-edge technologies that contribute to environmentally friendly and sustainable infrastructure solutions. Mr. Anupam Das was requested to be the convener of the workshop and organize it.

As there were no other issues to discuss, the meeting ended by giving thanks to the chairperson.

A meeting of the Green & Clean Campus Committee of Purbasthali College was held on 24/04/2022 at 2:30 p.m. in the principal room of Purbasthali College. The meeting was presided over by the Honorable President Dr. Bibhas Chandra Saha. Following issues were discussed and resolved accordingly.

- In the beginning, the minutes of the last meeting was read before the committee members and confirmed unanimously.
- To discuss about Environment awareness program.**
It was reported that we should take necessary steps to make awareness about environment among the students as well as people of the local area. After discussion members of the committee realized the necessity of the environment awareness program and unanimously approved it. Principal was requested to take necessary steps regarding this subject.
- To consider the community services such as plantation & no use of plastic.**
It was reported that we have to make aware the local people about the necessity and benefits of the plantation. We also have to organize program about say no to single use of plastics for making conscious the local people. After discussion about the above mentioned issues members of the committee unanimously decided to set a program on plantation and plastic free zone in the local area. Principal was requested to take necessary steps in this matter.
- To organize a special lecture.**
It was decided that a special lecture on "Cultivating Wellness Through Medicinal Plants" would be arranged to provide a comprehensive overview of the healing properties of medicinal plants, their cultivation, ethical considerations, and ways to incorporate them into daily life for overall wellness. Mr. Anupam Das was requested to organize it.

As there were no other issues to discuss meeting ends herewith by giving thanks to the chairman.
