Introduction:

An ICT Training Programme was organized by the Department of English, Purbasthali College from 29.07.2022 to 04.08.2022 at 12.00 am at Room No. 9.

Objective:

- To equip students with fundamental ICT skills essential for academic and professional endeavors;

- To make them familiar with Email;

- To help them learn E-book searching and reading;

- To make them search reading materials from YouTube;

- To master skills for PowerPoint Presentation.

Summary of Programme:

The programme focused on providing students with practical knowledge and hands-on experience in various ICT tools and applications. Key components of the programme included:

Email Familiarization: Students were introduced to the basics of email communication, including composing, sending, receiving, and managing emails. Emphasis was placed on email etiquette, proper formatting, and the importance of professional communication in academic and professional settings.

E-book Searching and Reading: Participants learned how to effectively search for and access e-books using digital libraries and online repositories. They were guided on techniques for navigating e-book platforms, locating relevant resources for study purposes.

YouTube Reading Materials: Students were taught how to leverage YouTube as a valuable educational resource for accessing reading materials, tutorials, lectures, and other educational content. They learned strategies for searching, filtering, and evaluating YouTube videos to identify credible and relevant information to supplement their learning.

PowerPoint Presentation Skills: The programme included comprehensive training on creating dynamic and engaging PowerPoint presentations. Students learned basic techniques for designing slides, incorporating multimedia elements, structuring content effectively, and delivering presentations with confidence.
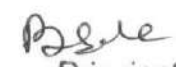

Through a combination of interactive workshops, hands-on exercises, and practical demonstrations, the programme successfully equipped students with the necessary ICT skills to excel in their academic pursuits and future professional endeavors. Participants gained confidence in utilizing email for communication, accessing and utilizing e-books for research, harnessing YouTube as an educational resource, and creating impactful PowerPoint presentations for academic presentations and professional projects.

Outcome:

After the completion of the Programme, the following results were attained:

- Enhanced proficiency in ICT capabilities
- Acquired familiarity with E-mail usage
- Proficiency in e-book discovery and reading techniques
- Effective utilization of YouTube for educational objectives
- Mastery of fundamental PowerPoint presentation abilities

<u>REPORT</u>

Name Of the Programme : ICT Training

Sub Category : Skill Development Programme

Date : 26.09.2022 to 28.09.2022

Time : 12:15 p.m.

Venue : Rabindra sabha kaksha (N215)

No. of Participants : 45

Resource Person Attended:

1. Dr. Sukla Bhattacharyya, Assistant Professor & HOD, Department of Education.
2. Mr. Srikanta Hazra, State Aided College Teacher-I (SACT-I), Department of Education.
3. Mr. Parimal Mandal, State Aided College Teacher-I (SACT-I), Department of Education.
4. Mr. Debasish Chakraborty, State Aided College Teacher-II (SACT-II), Department of Education.

Content Summary: An ICT Training programme was organized for the students of Education Department semester I / III/ V, on 26.09.2022 to 28.09.22 at the Rabindra sabha kaksha. The duration of the Programme was 3 hours. The training was related to the basics of ICT uses. The Outcome of the programme was –

❖ Students know how to create an Email Id, sent a mail or view mail.
❖ How to search and use YouTube.
❖ Basics of Power Point Presentation.
❖ Internet searching
❖ E -book searching.

Our Endeavor found huge attraction in between the students as they enjoyed the training program successfully. We hope that the basics of ICT skills will help them in future.

6. **Infrastructure Development:** ICT Traning providing communities with access to computers, internet connectivity
7. **Digital Content Creation:** Encouraging the creation of digital content, such as educational materials.
8. **E-Government Services:** Implementing platforms for citizens to access government services online, simplifying processes and increasing efficiency.

Benefits of the ICT Programme:

1. **Economic Growth:** Improved digital skills lead to increased employability and entrepreneurship opportunities, contributing to economic growth.
2. **Educational Advancement:** Access to educational resources online enhances learning outcomes and opens up new avenues for students.
3. **Community Development:** Empowering communities with ICT tools fosters innovation, connectivity, and overall development.

Impact of the ICT Programme:

1. **Increased Digital Inclusion:** More individuals, especially in rural areas, are becoming digitally literate and connected.
2. **Job Creation:** The programme contributes to the creation of jobs in the ICT sector.
3. **Improved Governance:** E-government services lead to transparency, accountability, and better delivery of public services.
4. **Enhanced Quality of Life:** Access to information and services improves the overall quality of life for students.

Conclusion: In conclusion, ICT programmes are pivotal in driving socio-economic development by empowering individuals, communities, and governments with the tools and knowledge to navigate the digital landscape effectively. They play a crucial role in bridging gaps, fostering innovation, and creating a more connected and informed society.

12. Internet searching
13. E-book searching.
14. **Infrastructure Development:** ICT Traning providing communities with access to computers, internet connectivity
15. **Digital Content Creation:** Encouraging the creation of digital content, such as educational materials.
16. **E-Government Services:** Implementing platforms for citizens to access government services online, simplifying processes and increasing efficiency.
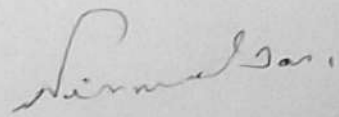

Benefits of the ICT Programme:

4. **Economic Growth:** Improved digital skills lead to increased employability and entrepreneurship opportunities, contributing to economic growth.
5. **Educational Advancement:** Access to educational resources online enhances learning outcomes and opens up new avenues for students.
6. **Community Development:** Empowering communities with ICT tools fosters innovation, connectivity, and overall development.

Impact of the ICT Programme:

5. **Increased Digital Inclusion:** More individuals, especially in rural areas, are becoming digitally literate and connected.
6. **Job Creation:** The programme contributes to the creation of jobs in the ICT sector.
7. **Improved Governance:** E-government services lead to transparency, accountability, and better delivery of public services.
8. **Enhanced Quality of Life:** Access to information and services improves the overall quality of life for students.

Conclusion: In conclusion, ICT programmes are pivotal in driving socio-economic development by empowering individuals, communities, and governments with the tools and knowledge to navigate the digital landscape effectively. They play a crucial role in bridging gaps, fostering innovation, and creating a more connected and informed society.

21. E -book searching.
22. **Infrastructure Development:** ICT Traning providing communities with access to computers, internet connectivity
23. **Digital Content Creation:** Encouraging the creation of digital content, such as educational materials.
24. **E-Government Services:** Implementing platforms for citizens to access government services online, simplifying processes and increasing efficiency.
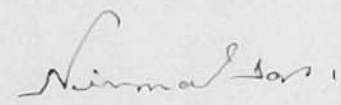

Benefits of the ICT Programme:

7. **Economic Growth:** Improved digital skills lead to increased employability and entrepreneurship opportunities, contributing to economic growth.
8. **Educational Advancement:** Access to educational resources online enhances learning outcomes and opens up new avenues for students.
9. **Community Development:** Empowering communities with ICT tools fosters innovation, connectivity, and overall development.

Impact of the ICT Programme:

9. **Increased Digital Inclusion:** More individuals, especially in rural areas, are becoming digitally literate and connected.
10. **Job Creation:** The programme contributes to the creation of jobs in the ICT sector.
11. **Improved Governance:** E-government services lead to transparency, accountability, and better delivery of public services.
12. **Enhanced Quality of Life:** Access to information and services improves the overall quality of life for students.

Conclusion: In conclusion, ICT programmes are pivotal in driving socio-economic development by empowering individuals, communities, and governments with the tools and knowledge to navigate the digital landscape effectively. They play a crucial role in bridging gaps, fostering innovation, and creating a more connected and informed society.
