A remedial class was arranged for the students of Semester III English (L1-2) on December 17, 2002. It was observed in the class tests that so students did not perform well, so it was decided that these students would be provided with remedial teaching keeping in mind the upcoming semester examination. Consequently, the students were provided with sample questions and answers to make them understand the lessons better. The syllabus was lucidly explained to them so that they could easily identify areas in which they can score easily. The module regarding "Foregrounding" and "Ambiguity" was explained to them again to help them understand the difficult concepts and perform better in the next examination.
