ABOUT THE SEMINAR

The Seminar on Sensitization about Gender Equality is a crucial initiative aimed at fostering awareness, understanding, and action towards achieving gender equality. In a world where gender disparities persist, this seminar serves as a platform to educate, engage, and empower individuals to challenge stereotypes, biases, and discrimination.

The seminar seeks to accomplish the following objectives:

- Raise awareness about the importance of gender equality as a fundamental human right.
- Examine the societal norms, cultural beliefs, and institutional practices that perpetuate gender-based discrimination.
- Foster empathy and understanding by exploring the diverse experiences and challenges faced by individuals across the gender spectrum.
- Empower participants to become advocates for gender equality in their personal and professional lives.
